

SAY SOMETHING IF YOU SEE SOMETHING

**Sexual exploitation
is abuse and a crime.**

If you think it is happening here talk to your supervisor or call Crimestoppers: 0800 555 111

QUIET PLEASE.

Let's just keep this
between you and me.

WATCH FOR: a lot of male visitors to one room. A party room with lots of men, girls, drugs and alcohol. A lot of condom wrappers in the bin. Men paying with cash.

If you think a child is at risk of immediate harm, contact the police by calling 999.
