1. Welcome

Welcome to the Manchester Safeguarding Children Board (MSCB) training brochure for 2016-17. This brochure will outline the training courses and briefings available and the process for applying for training through the MSCB.

The Manchester Safeguarding Children Board strategic outcomes are *'Preventing harm and promoting welfare', and, 'Protecting vulnerable children'*. To help achieve these outcomes the training programme will ensure that the MSCB priorities of **Child Sexual Exploitation, Missing from Home, Early Help, Neglect and Vulnerable adolescents** are addressed by providing specific training on these areas or incorporate within MSCB training courses. These priorities have been identified as a result of learning outcomes from Manchester Serious Case Reviews and comprehensive audits conducted across all agencies.

Manchester City Council has begun to introduce a new social work model 'Signs of Safety' and a training programme for all social workers and social care staff is being rolled out. Although this will take a number of years to implement it is envisaged that this model and the changes introduced with the Early Help Strategy will improve services for children and their families.

Additional courses may be inserted into the MSCB programme in response to the learning outcomes of any future serious case reviews or identified training needs. Please refer to the MSCB training website for additional courses. The website will announce when new courses are inserted into the programme.

Applying for MSCB Face to Face Courses

The majority of MSCB training courses are delivered by practitioners and their experience and knowledge enrich the training. Multi agency attendance on MSCB courses adds to the effective understanding of safeguarding from a multi agency perspective and therefore places on face to face training courses will be allocated to ensure a spread of agencies rather than on a first come first served basis. As a general rule a maximum of 5 places per agency per course will be allocated.

All applications for MSCB courses need to be completed online. Each trainee needs to create their own login and ensure email details are correct and up to date. All face to face courses require manager approval. **However, manager approval for a course does not guarantee a place on a course as the MSCB needs to ensure a multi agency representation on all courses where possible.** All information on MSCB training courses and venue details are on the MSCB website: <http://training.manchesterscb.org.uk/>

Applying for E-learning Courses

The MSCB provides over 50 e-learning courses with our partner Virtual College. These courses can be accessed via the following website: <https://manchesterscb.virtual-college.co.uk/>

Feedback, Training Action Plans and Impact Evaluation

It is essential for the quality of training that feedback is obtained. All trainees will be expected to complete online feedback following attendance on training events.

The MSCB Training Action Plan needs to be completed following attendance on the training. The form is available as part of pre-course materials on the MSCB training website and provides trainees with the opportunity to record what they have learned on the training and also actions they would like to take to improve their practice.

To assess the impact that training has had on practice trainees on some courses will be further evaluated; these trainees will be contacted 3-6 months following the training to assess how the training has impacted on their practice. All feedback will then be collated and analysed for future training.

Training Certificates

Certificates can be printed off once online feedback has been completed.

2. What Types of Training are Available?

Introductory Courses

Anyone who works with children and/or their families in Manchester will need to complete an Introductory Safeguarding training course **every 3 years**. Those with 'Designated' or 'Named' responsibilities for 'Child Protection' or 'Safeguarding Children' should receive refresher training **every 2 years**.

The MSCB has two introductory courses:

1. **Introduction to Safeguarding** – this is a one day face to face training course delivered mainly by practitioners who are members of the Multi Agency training pool. Dates are available throughout the year.
2. **Awareness of Child Abuse and Neglect** – E-learning module with Virtual College (approximately 2 and a half hours to complete).

It is the responsibility of agencies to ensure all their staff have the correct skills and knowledge to be effective in their role and therefore Single Agency Introductory Courses delivered by our partners are accepted as an approved course to access the MSCB Themed and Special Interest courses. **Anyone applying from the Voluntary or Private sector will need to complete an [approved](#) Introductory Course.**

There is a Quality Assurance process for any Agency who wants to have MSCB approval for its Introductory Courses. Please contact the MSCB Training Officer for more information: m.doherty@manchester.gov.uk

For more information on introductory courses see Section 3.

Briefings and Serious Case Review Events

Half and full day briefings will run throughout the year and will be advertised on the training website. Some are held regularly and are included in this brochure. However, other briefings and events may arise throughout the year in response to Serious Case Reviews, changes in policy and procedures etc.

For more information on briefings and events see Section 4.

Themed Courses

These courses provide a fuller understanding of particular themes or issues relevant to safeguarding children and are aimed at those who work regularly with children, young people and adults who are parents or carers.

The courses are often co-written and delivered with practitioners who have particular knowledge and experience in that field. Themes include those that are commonly identified in Serious Case Reviews e.g. Parental Mental Health, Domestic Abuse, Substance Misuse etc.

All themed courses require that applicants have completed an Introductory Safeguarding Course.

For more information on themed courses see Section 5.

Special Interest Courses

Special interest courses are designed for those who have specific responsibilities in terms of safeguarding children. The courses are tailored to look at a particular issue or safeguarding role in much more detail than that offered in a themed course. The topic may often involve complex and/or serious cases of child abuse or be targeting managers.

All special interest courses require that applicants have completed an [approved introductory safeguarding course](#).

For more information on special interest courses see Section 6.

3. Approved Introductory Safeguarding Courses

Introductory Safeguarding Courses

Anyone who wants to apply for a Themed MSCB course will need to have completed an introductory safeguarding course within the last 3 years. An approved Introductory (entry level) course is defined as any of the following:

1. One day 'MSCB Introduction to Safeguarding Children' Course.
2. MSCB or MCC e-learning module.
3. Equivalent health service introduction to safeguarding children course. *Please consult your department safeguarding lead to confirm which courses are of an equivalent standard to the MSCB and Manchester City Council courses.*
4. Single Agency Introduction to Safeguarding Training.
5. External mandatory safeguarding children training quality assured by the MSCB.*

* MSCB now offers the opportunity for external training providers and MCC departments to submit their safeguarding children or designated persons training for quality assurance. Please email the MSCB Training Officer m.doherty@manchester.gov.uk for more information.

Is there a charge for MSCB Training Courses?

Update from September 2016 - Face to face training courses advertised in this programme are provided free of charge to agencies and sectors whose representatives provide a service for, or come into contact with children, young people and/or their families in the City of Manchester.

E-Learning is provided through our partner Virtual College and these courses are free to statutory organisations, voluntary and faith sector who works with or provides a service to children and or their families in Manchester. However, due to the current contract with Virtual College private organisations will be charged £25 plus VAT per person per course for all on-line learning courses.

Charges to Private Organisations and Academies for Face to Face Training

Update September 2016

The Manchester Safeguarding Children Board made a decision in June 2016 that no private organisation will be charged for face to face Safeguarding Training.

Course Cancellation or Non Attendance

Applicants must cancel the course themselves via the MSCB training website. The majority of MSCB training courses are over subscribed and we therefore request that a minimum of 5 working days notice is provided in the event of cancelling a training place or if appropriate identify a suitable replacement.

Update September 2016

Fees for non-attendance or late cancellation charges will be increased to £50 per day per course

Attendance and Registration

Please note that by accepting a place on an MSCB course all trainees agree to login to their account on the MSCB training website prior to training and print off all training materials (if provided). Venue details and directions are available to print off or access prior to the course.

Registration is usually from 9am and courses will begin at 9.30am prompt and finish at 4pm.

Delegates will be expected to remain for the duration of the course. The MSCB reserve the right to refuse entry to any delegate who arrives 15 minutes or more after the course start time.

Tea and coffee refreshments are available on all courses. Delegate should make their own arrangements for lunch as most courses have a lunch break of 45 minutes.

4. MSCB Introductory Courses - dates 2016-17

MSCB Introduction to Safeguarding Children

This is a one-day course delivered by members of the Manchester Safeguarding Children Board Training Pool. You should attend this course if you are in contact with children and young people and with adults who are parents and carers. You should refresh this training every 3 years or if you are a Designated Person in a school every 2 years.

Aim: to develop the knowledge and ability of professionals in order that they may recognise and deal effectively with safeguarding and promoting the welfare of children.

The course will discuss the Early Help Strategy and the five Levels of Need in Manchester as well as understanding when a referral is needed or an Early Help Assessment should be completed. The course will also cover recognising signs and indicators of abuse.

As this course is multi agency it provides the opportunity to learn about the roles of others, develop contacts and share perspectives.

Places will be allocated to ensure as many agencies as possible attend rather than allocating on a first come basis. This is to ensure and facilitate wide ranging discussions and knowledge sharing.

E-learning for Manchester City Council employees

MCC Staff can access this introductory safeguarding training via the MCC e-learning portal located via the MCC intranet

MSCB E-learning provision

The MSCB provides e-learning via our partner Virtual College. Over 50 courses can be accessed via <https://manchesterscb.virtual-college.co.uk/>

As part of improving access to e-learning all learners can now self-register and manager authorisation is no longer required.

E-learning is provided free of charge to statutory organisations and members of the voluntary, community and faith sectors whose representatives provide a service for, or come into contact with, children, young people and/or their families in the City of Manchester.

Staff working for a private organisation will be a charged £25 + VAT per e-learning module. The general guidance for charging private organisations is that if your organisation charges for its service then you will be charged for e-learning.

Please note that a charge of **£25 + VAT** will be applied to anyone who fails to complete the e-learning module within 1 month of requesting an e-learning training course.

An Awareness of Child Abuse and Neglect

This e-learning module is the basic Introduction to Safeguarding Children. The module will inform you about the various types of abuse or deliberate harm to a child and then explain what you must do if you suspect that a child is being abused or deliberately harmed.

On average the course takes two and a half hours to complete.

5. MSCB Briefings - dates 2016-17

Children Missing from Home or Care

This is a new briefing for the MSCB Training Programme and is delivered by a senior social worker who specialises in children who go missing from Home or Care.

The briefing is targeted at, and places will be prioritised for, the following groups of staff: Designated Persons in schools; Operation Madison police officers and SPOC police officers with responsibility for Missing from Home; School and LAC nurses; Residential Children's Home workers and managers; and Early Intervention workers. The briefing will also look at Vulnerabilities Factors that affect young children and what makes a child likely to go missing.

Introduction to Safeguarding Children Online (half day)

Anyone who works directly with children should have a level of awareness of online safety / e-safety. It is therefore the aim of this briefing to raise awareness of the safeguarding issues associated with the use of technology.

This briefing aims to raise an awareness of children's use of the online world and the risks that this can present. The aim is to assist professionals and all who work with children to understand how children use the online world and how this can impact upon the safety and wellbeing of children and young persons.

Training Dates:

15 th April 2016	Fire Service Training Centre, Thomson St. M4 5FP
14 th September 2016	LGBT, No 5 Richmond Street, Manchester, M1 3HF
24 th March 2017	LGBT, No 5 Richmond Street, Manchester, M1 3HF

Private Fostering (half day)

Do you know someone who is caring for somebody else's child?

The aim of this briefing is to raise awareness of Private Fostering, how this impacts on children and young people and how practitioners should respond.

The briefing will include information on legislation, policy and procedures relating to private fostering. It will address related issues of vulnerability including the links with trafficked children. It also provides an opportunity to share good practice.

Training Dates:

22 nd April 2016	LGBT, No 5 Richmond Street, Manchester, M1 3HF

Domestic Violence and Abuse: the impact on the child

This is a one-day course delivered by members of the Manchester Safeguarding Children Board training pool. It is designed to provide a more in-depth analysis of the direct impact of witnessing domestic abuse, on the development of children and young people. This includes how domestic abuse affects parenting capacity and interventions to support children.

A new aspect of the course will look at some of the research in relation to abuse within young people's intimate relationships and interventions and activities available for use.

Anyone attending this course will need to have completed a domestic abuse awareness course either with the MSCB or within their own agency.

Aim: to identify the ways in which domestic abuse can impact on parenting and develop an increased understanding of the perspective of the child, in order to promote the welfare of children and young people.

Training Dates:

20 th May 2016	Fire Service Training Centre, Thompson Street, M4 5FP

8. How do I register on the MSCB Training Website?

1. For all MSCB face to face training courses each trainee needs to create their own login on the training website: <http://training.manchesterscb.org.uk/>
2. After registering the site will automatically send out an email to the address you have given. This email will contain a link that you must click on in order to activate your account. If you do not receive an email within an hour, please check your spam or junk folder.
3. Once you have activated your account you will need to log onto the training website and apply for the individual courses you would like to attend.
4. An email will then be sent out to your line manager for their approval; they will need to click on the link in the e-mail to confirm approval is given.

Please note: manager approval for an MSCB training course does not guarantee a place on the course as the MSCB needs to ensure that all courses are as representative of the range of multi agency partners as possible. As a general rule a maximum of 5 places per agency per course will be allocated.

5. If you have been allocated a place the course will be displayed as 'CONFIRMED' in 'My Courses' (on the MSCB training website).
6. If you can no longer attend the training please cancel the course via the training website, using the 'cancel course' function.
7. Approximately 1 week before the course date you will need to log into the training website to access and print off any training materials and venue instructions to take with you to the course.
8. After attending the course, you will need to revisit the training website and complete the feedback.
9. Once you submit your feedback you will be able to print your course certificate.
